ABOUT CHOCOLATE SKIN SOOTHER

Combination of science and pleasure to sooth sensitive & damaged skin. The mystical temptation of chocolate is somewhat beyond resistance and possesses an inexplicable magic. Imagine the dollops of chocolate caress your skin while skin relaxation is an excuse. The thought itself is tempting, think, if it happens in reality what may happen. Don't get too excited, here comes COSMETO-FOOD™ APS Chocolate skin Soother to tempt your senses. Presence of liquid chocolate with its captivating fragrance relieves your senses while its application re-hydrates the exhausted skin. It combines the benefits of SEPICALM™ S which relaxes the skin and AQUAXYL™ that moisturizes and restructures the skin. The beautiful combo of SOLAGUM™ AX and SEPINOV™ EMT 10 brings a silky veil to sculpt the skin while MONTANOV™ L delivers a light and fluffy texture, giving it an impression rather an invitation to eat it...Who says chocolate isn't a sinister!

Why use Chocolate Skin Soother...?

- «Relaxes the skin.
- «Improves the skin texture.
- «Soothes the irradiated skin pores.
- «Resurfaces a fresh and lively skin.

HOW TO USE

Take some quantity and apply on face or body, keep massaging with facial steps and pressure points and spread evenly over the entire body. Leave it dry for few minutes until a sculpt and rehydrated skin is unveiled. Wipe off with wet cotton.
