ABOUT GASPACHO VITALITY SERUM

Days are out so why stay indoors! Enjoy under the sun carefree with the protection of COSMETO-FOOD™ APS Gaspacho Vitality Serum. It possesses complete care to protect your skin from sunburns, pollution and tanning. This highly concentrated formula contains LIPACIDE™ C8G & LIPACIDE™ UG to ensure the skin's acid mantle integrity. Association of SEPIMAX™ ZEN with SEPIPLUS™ 400 ensures good consistency and stability of actives to maintain the even effect of the application. SEPITONIC™ M4 reveals fresh and sparkling skin, luminous skin complexion once again.

Why use Gaspacho Vitality Serum...?

- « Re-energise skin.
- « Forms protective skin against environment pollutants.
- « Reveals fresh and luminous skin.
- « Effective against tanning.

HOW TO USE

Since it is highly concentrated, only one or two drops are sufficient for the complete application. Massage it gently onto your skin and unveil a spark long and luminous skin in minutes.

Most Ingredients are ECOCERT Approved

95% Natural Ingredients.
